ENGLISH MEADOWS NEIGHBORHOOD ASSOCIATION is dedicated to making our neighborhood a better place to live through the efforts of every resident.

To prevent crime and enhance our community.

The Riverdale entrance is maintained by GOOD WINDS NURSERY.

English Meadows~HERO

While taking well know

paths to and from as-sorted places where errands are run.....**WHAT IF?** What if you saw a

child in our local pond? Oh, my gosh, it's freezing out there. Would you stop and assist? Could you assist? These had to be questions that went

through the mind of our neighbor, Brian Coblentz of Cedar Lane Cove, recently. He let his heart rule and went in after that child. What a courageous thing to do! **Brian Coblentz**, we as a neighborhood are so proud to lay claim to you. Thanks, again and again.

We've had our first Quarterly Meeting. It was fun & informative. Just wish we could interest more neighbors in attending. With that in mind, we have again decided to hold the April Quarterly IN THE PARK. Last year was a success and got a different group of people out. Being held dur-

ing the day seemed to help and the enticement of hamburgers and hot dogs grilled in the park is always a winner. So, now, mark your calendars for **APRIL 25th's** Picnic-in-the-Park. That's on a Sunday with eating at 4:30. Come early,

bring your lawn chairs and mingle with people that live in your neighborhood. The kids can enjoy the playgrounds in a familiar spot. There will be door prizes and a portable potty available on site, so no excuses. Our speaker will also be a neighbor, **Mayor Sharon Goldsworthy**. The topic will be on CONSOLIDATION; a subject very dear to Sharon's heart. Come hear how we might help to keep this situation from being shoved down our throats, like it or not. Whether you are pro or con for this, please come listen to the view of an insider, not just a reporter or political campaign lingo. You owe it to your self and your family to be informed.

February Crime Tip

Door-to-door business solicitation is illegal in G-Town! Avoid becoming a victim by not participating; overcharging customers by inflating prices when the job is complete is common. Ask friends & neighbors for recommendations when workmen are needed.

-Be sure and check out our website in living color! (listed below)-

WELCOME:

Mark & Brenda Duck of 7278 Pittsfield Cove. Glad to have you here!

A new baby, a new neighbor... please share the good news with your neighborhood.

Feel free to contact Lutie Darnell, (754-2989) for a nice welcome gift and lot of good information. If you check in with our website, use info@meadowsmemo.org to introduce yourself also.

GET WELL:

Dorothy Buttry of Riverdale, recently hospitalized. **Betty Nutt** also of Riverdale, struggling with an ongoing ailment and many, many doctor's visits.

Jean Kriger of McVay Cove, battling with eye problems; implanted corneas of a few years back are trying to be rejected.

From the Board:

In an effort to get people to get to know each other....several monthly coffees have been going on for several months now. Have you gotten the opportunity to attend one yet? The second Wednesday of each month, a coffee is held for the Men of the community. The Men's March meeting is the 10th at 10:00 a.m. This will be at the Darnell's home at 7270 Stamford Dr. If you want more information, give Lutie or Millen a call at 754-2989.

Ladies Coffee is March 3 from 10:00 to 12:00 at the home of Margie Ryan. Margie lives at 7144 Eastern; she can be reached at 754-4604. Very informal, a different group each month...come out and get to know a neighbor.

Last month the subject of having a Neighborhood Directory came up and was put to the people of this Association through the newsletter. There was quite a bit of negative response. So, apparently there will not be one. However, the thought behind having one is still a very good one. Knowing each other! Perhaps, consider on a smaller scale. There are several areas here that do have their own directory. Take a cove, or a zone, get your neighbors to fill out a simple form just for each other. There will always be those that don't want to participate, but work around those. It's good to know about pets, children, ages, etc. I live in an area that has such a directory (needing to be updated, I must admit!) but it has been very helpful. Talk with that person that delivers you this newsletter (your zone capt.), and see if it's something that would be worth pursuing for your smaller area. Check your zone by going to the website- this month's newsletter, Page 3. Lori Foster can supply you the name of your Zone person. Her phone is listed on the front of this newsletter.

The English Meadows Garden Club is always welcoming new members. If you are interested, please give Candice Van Eyck (755-4749) a call. The next meeting is White Elephant and Baked Goods on March 11th. It's the club's money making event with bargains to be had. If you would like to contribute an item or participate in the bidding, come! Give Candice a call to find out where and what time. Recently the club donated money for the Battle of the Brains and contributed to the recent Germantown Baseball Auction. Money is kept in our home town.

LOST? Have you lost a St. Christopher's Medal recently? It has been found. Just call Rosemary at 754-0261 and identify it. She found it near Chico Cove...in the gutter. There are initials on back of medal. Is this yours?

WELCOME to new Board Member Janet McClure, as recording secretary.

Dog owners, thanks for picking up after your dog. Still some others that need to start. The newspaper bag is ideal; try it!

HAVE YOU PAID YOUR 2010 DUES? Dino Palazzolo wants your opinions on why....if you haven't. Are there subjects that would entice you to getting involved? Feel free to voice your opinion.

EMNA is always looking for new people to help out...in the delivery of the monthly newsletters and the periodical flag putting out. A great way to meet your neighbors and help out your neighborhood association. Please feel free to contact any Board member with your wish to help.
