## "Ice Cream Social"

Oh my goodness.....this has been a year! I'm sure you are wondering if we are ever going to have a "Quarterly" meeting. Yes, hopefully we are on **July 21**. With it being so late in the season, this will be the Annual Ice Cream Social. It's held at our local church, Cumberland Presbyterian located on the corner of Riverdale and McVay. Plan on an early dinner with the family and then come on and join everyone for dessert. Have a dip of ice cream or make a sundae and enjoy the fellowship of your friends and neighbors.

**Due to circumstances** beyond our control (like the weather), our previous planned events just didn't come off. We still have new officers to put in office, the 2011 budget needs to be approved, door prizes to be given away & just plain ol' need to get together and catch up on local happenings. Plan on attending this very casual event. Please note the attached letter and respond as soon as possible. If there was a good data base of e-mail address', can-

cellations could be handled much easier. Lots of door prizes plus 5 American flags with poles and mounts & if needed the offer to put them up for you.

**We would love your input** on ways EMNA can en-

hance English Meadows as a preferred residential area. One suggestion is to try to make EM a flag community. Every new family that comes to live here will receive a flag kit as a welcome gift. A great idea and that begins at the Ice Cream Social when we award 5 as door prizes. Wouldn't it be nice if our neighborhood regained the feeling of "togetherness" like we did when we proudly displayed our flags right after 9/11? We even had them on our cars.

**Zone Captains: Flags go out this week end!** Remember, if yours are faded, stems broken, they need to be replaced. Also, when the ground is hard, carry a screw driver to make the holes prior to putting the flags out. It will save a lot of **broken flag poles**. If you need replacements, contact Vince Powers 310-9038.

### Crime Watch Tip for June:

Not so much a crime tip, but a safety tip. Children are out of school, watch out for them when you see them playing. Also, with the 4th upon us, take care with the firecrackers, even sparklers. "HOT" seems to have come earlier than usual this year, take care when out doors and remember your pets too. They need plenty of water plus shade. Mosquitoes are here also, keep breeding places cleared; change bird baths often. Take care and you can still have a wonderful summer.

**Did you remember to acknowledged your veteran, current or former?** A Germantown Veterans' Recognition Committee is asking for help. They are trying to establish a database of the names of all US.Armed Forces Veterans who have or had called Germantown home. The names will be used to establish a permanent memorial to be located somewhere in Germantown, possibly along the Wolf River Greenway. This is an effort to recognize and honor those who served. If you know of a member of the US Armed Forces, living or deceased who has ever called Germantown home, please contact Andy Pouncey at 757-7273 or e-mail olemule@bellsouth.net with that information. *This is a portion of an article recently published in the Germantown News (March 30).* It's a great way to honor these special people; so don't delay!

Lots of new big Trash Bins have been delivered to our homes. Saves a little money monthly and holds a lot. Only problem.....please don't leave them out after Tuesday pick up has been around. Not a pretty sight. If you can't get it back off the street, have a neighbor take care of it for you and you could do the same. The same goes for those recycle bins.

**Come to the Ice Cream Social.** A chance to meet some new members on the Board; suggest others for a position. A new president is taking over and we're saying good bye to a long time server, John Johnson. Budget needs to be approved. Also, dues can be paid at the door. Some really neat door prizes too.
