FANTASTIC!

The wonderful display of flags in our neighborhood reminding us of Labor Day and 9-11-01. That's what was so **fantastic**. Didn't it do your heart good to see them waving in the breeze...and the thought behind them. Many thanks to our people that were responsible for putting them out and retrieving them afterwards. Our next showing of flags in the neighborhood will be Nov 11th (Veteran's Day). Please continue to keep your personal home flags flying. We have a goal to be known as the FLAG neighborhood of Germantown. Flags will be included as gifts for new people that join us through the Welcoming Committee. The last Quarterly meeting, some of the door prizes were flags....so gradually everyone will be able to show the colors of Old Glory.

Plans are in the works for our next Quarterly. That will be November 3rd at the Cumberland Presbyterian Church of Germantown. Located at Riverdale and McVay. It's Pot Luck; we're finally going to have our cook out of hamburgers and hot dogs. We just need members to put their thinking caps on and come up with something other than just baked beans and potato salad when you plan what to bring. Take your pick, a dessert or a side dish. There's a **blue grass band** planned for entertainment. So come on out to our local neighborhood church & join the fun.

We had such a good turn out at the Ice Cream Social that we felt that CPCG is a good place to come. Within walking distance for a lot of people, no parking problems and busy streets to contend, so ideally, there will be lots of familiar faces in attendance. **November 3rd @ 6:30** is the date and time. See you then! Questions can be answered by any of the Board members.

Crime Watch Tip for September:

As we have become more and more an automatic society, consider the convenience of having car keys to open your car at the press of a button. Consider putting that same set of keys at your bed side at night. If you hear a noise press the panic button for your car. The alarm will be set off and scare the heck out of what ever made the original sound. It's a security system that you already have and requires no installation. Also carry your keys with you as you walk through a parking lot....works the same way.

WELCOME:

Amber Patterson & Valerie Davis are new neighbors @ 2233 Cornwall. Also **Jim & Stacy Williams** on Bellville Cove. The **Ridley** family are on Howard and have a new baby girl. *Welcome all. We're glad to have you as neighbors. We're hoping that you will join us when we praise English Meadows as "A GREAT PLACE TO LIVE!"*

GET WELL:

Jean Coopwood of Lancashire Cove had back surgery recently. **Howard Skipper** of Riverdale has done a stay in the hospital this summer also. Thoughts and prayers for **Mil-len Darnell** of Stamford & **Hal Williford** of McVay Rd.

If I'm missing someone, please let me know. Just e-mail me at dixzee@comcast.net.

CONDOLENCES:

The family of **Marvin Ray**, Donnington (Cove) passed away recently.

THANKS:

Thanks to all the great folks that participated. The Ice Cream Social recently was such fun that some things just have to be shared. Some great prizes went to some great people. There was a \$100 gift certificate from Good Winds that was won by Harrison Brown-dyke. Two \$100 gift certificates to Germantown Car Wash was won by Ann Scalzo and Hank Snow. Ann Jennings won the \$100 gift certificate to Germantown Hardware. A \$50 gift certificate to Mister B's was given to Jeff Fendley. Lynda Hawkins won a beautiful umbrella presented by Rose Hart Gifts. In our effort to make English Meadows-a flag community, five flag sets were given to Pat Davis, Luke Carpenter, Melanie McCaskill, Chandler Jones & Marge Brnkley. Congratulations winners & be sure and use those items. All are Germantown business'.

New officers were installed as was some of the old ones too. Check out the new roster on the front side of this newsletter. There's always room for more. If you feel like you would like to become more involved in your neighborhood, give one of the officers a call. Zone Captain & flag people are always needed plus a person is needed for carrying on the Membership Committee.

Since this installation of officers was so late

in the year, it was voted on to let the current board serve through 2012. Also, the budget was approved without any revision as presented by the treasurer, Edna Guntert.

August Yard of the Month

7275 Eastern

Dennis & Sandy Triplett

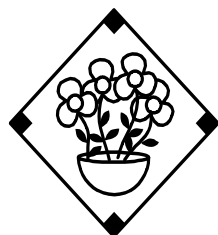

Sandy teaches piano out of her home; her students thought it was the neatest thing...having the sign in their yard. They were almost as thrilled with the award as was Sandy. That yellow door is a sure sign of a fun place to visit.

September Yard of the Month

7150 McVay Rd.

Chris & Rachel Galbreath

Rachel stated that it was a work in progress for many years. The finished product is absolutely beautiful!

The Yard of the Month is carried out by members of the English Meadows Garden Club. The Club meets every 2nd Thursday Sept. through May. If you are interested in joining, contact the current president, Janet McClure

@ 753-8730 for more information.

Are you remodeling, renovating or simply cleaning out your attic? Not sure what to do with all the unwanted stuff? Don't dump It. Donate it—to the Habitat for Humanity Re-Store!

The Habitat is located at 7130 Winchester Rd, sells new and gently used furniture, appliances, etc to the general public. It is stocked through generous donations from individuals and business. Visit www.Memphis-ReStore.com or 737-8673 to learn more about this organization. If you are looking for great deals on furniture, appliances and more, remember to shop the ReStore.

No FALL Garage Sale....not enough interest at this time. Think SPRING!

New Service: It has been suggested that we offer the names of vendors/workers that we have dealings with & are very pleased. Please contact us with a name of a contractor, tree trimmer, window washer, sprinkler system installer, yard persons, etc. We will feature them now and then in the newsletter and maintain a list on our web page. One of the first to be suggested is Russell Hathaway, owner of ARBOR MASTERS TREE SERVICE 901-634-4732. Dino Palazzolo can verify his satisfaction of his work. Let 's hear about some more!

Please folks, hide those new blue, green & brown cans. They are super nice to have to use, but not decorative items. Stick them behind the house, in the garage, not on the outside. Thanks.

Regarding our ongoing flags. Just a reminder that the people that put them out are the ones that pick them up. They also keep them in their possession until the next time. Kind of cute this past showing....one person felt generous and picked them up after Labor Day; didn't know that the word was out to the Zone Captains that we were leaving them out in memory of 9-11. *That's ok, we appreciate the thought!*

Our thanks to Jack Ridner for the replacement of the flags at the Riverdale entrance.
